

Need help learning about your new boat?

We understand buying a boat for the first time will present a lot of challenges and can be a big change in life style so we have put the following services in place to help make your move as smooth as possible.

As part of the brokerage service we will demonstrate the engine running prior to an being offer agreed.

The basic skills of canal-boating are quickly learnt, however the RYA Inland Waterways Helmsman's Certificate can give extra confidence to the first time buyer, there are several companies around the country that offer these courses. [RYA Inland Waterways courses](#)

If you have found the boat of your dreams we assist with the following services:

- If required we offer tuition with your new boat steering/handling (no locks).
- Extensive hand overs on how to use/run your boat, electrics, water systems, heating systems, gas, security, basic engine checks, etc..
- Getting the boat ready for departure, filling water tank, checking gas bottles, filling with diesel, (Gas, diesel or coal required will be charged separately), checking if all cruising equipment required is available, (mooring pins, hammer, ropes etc).
- We will off a 5% discount on items purchased though the chandlery on departure day. (Excluding Fuels)

This service is offered for boats sold through V C Marine located at High Line Yachting, Iver
