As a Broker, our understanding is that the vessel you are purchasing should have been built and correctly CE marked to satisfy the requirements of the Recreational Craft Regulations and there is no such proof provided by the vessel owner. You should satisfy yourself of any implications that may arise from purchasing the vessel.
You are advised to seek further advice should you see fit.
However, whilst the purchase is not illegal, you should be mindful that there could be implications for future saleability or value of the vessel.

PLEASE NOTE

In this case we are acting as Brokers only.
Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed.
The particulars are intended only as a guide and they do not constitute a term of any contract.
A prospective buyer is strongly advised to check the particulars and where appropriate at his own expense to employ a qualified Marine Surveyor to carry out a survey and / or to have an engine trial conducted which if conducted by us shall not imply any liability for such engine on our part.
The Vendor is not selling in the course of a business.
The VAT status of the vessel is not known, unless otherwise stated.
All sales subject to contract. No guarantee is given or implied as to the condition or legal title.
No appliances or systems have been tested. All measurements stated are approximate.
