History

A beautifully presented 60ft x 10ft Collingwood “Baby Euro” wide beam, designed for comfortable liveaboard living with a stylish, modern finish throughout. The square stern provides a spacious and sociable outdoor seating area—perfect for relaxing or entertaining.

Inside, the boat is thoughtfully laid out and fully equipped with all the conveniences of home. The galley features granite work surfaces, a built-in fridge and freezer, Belling inset 4 gas hob, Belling tower unit with grill and oven and a microwave, offering both

practicality and a premium feel. The bathroom continues the modern aesthetic with matching granite work top and splashback detailing.

Comfort is a priority, with carpet flooring in the saloon and cabin areas, complemented by oak laminate flooring in the galley and bathroom. The boat benefits from central heating as well as a solid fuel stove, ensuring a warm and cosy environment all year round.

Additional features include:

Washer/dryer for onboard laundry convenience

Non-slip painted decks for safety

Bow thruster for easy cruising

Well-designed interior layout maximising space and usability

The boat has been well maintained, with the last survey carried out in 2022 and blacking completed in 2023.

An excellent opportunity to own a spacious and well-appointed wide beam, ideal for full-time living and extended cruising.
