History

This well-presented 47ft Traditional Stern narrowboat was built in 1998 by Stoke on Trent Boatbuilders and has been in the current owner's care since 2023. Sadly, due to a change in personal circumstances, the boat is now offered for sale.

The vessel was last blacked in June 2023, with the anodes inspected and found to be in good condition at that time. Powered by a reliable Beta 35 engine with approximately 2,474 running hours, the engine was last serviced in June 2024.
