Lying At	High Line Yachting, Iver	**Material**	All Steel
Hull Thickness	10 – 6 – 5 - 4mm	**Last Blacking**	April 2026

HISTORY

Florence is a beautifully maintained 57ft traditional stern narrowboat, built by Yorkshire Boat Builders in 2017. Bright and spacious throughout, she features generous 6ft 5in headroom, three skylights that fill the cabin with natural light, and a versatile interior designed for freestanding furniture, allowing new owners to make the space their own.

Just two owners from new, Florence has been regularly maintained, with the engine serviced annually by the current owner (most recently in October 2025**).** She also benefits from a 2023 hull survey and was blacked in 2023 with anodes replaced and most recent blacking in April 2026.

Some electrical work is required on the DC side. The ceiling lights in the bedroom and salon are not working, while the kitchen and bathroom lights are working fine. The 240V sockets are also working properly.
