## HISTORY

Mary is a 65ft cruiser-stern narrowboat, built by **Hancock and Lane** in 1982. Originally built as a hire boat, she was later converted to a liveaboard and has been with her current owner for the past 10 years. She is mainly set up for mooring but could easily be adapted for cruising. Features include 240V underfloor heating, double-glazed windows and 2 bedrooms, making her a comfortable and practical liveaboard.
