HISTORY

My Joy is a beautifully built 60ft Aqualine cruiser stern narrowboat, built in 2010 and owned by just one owner since new. Designed with a practical reverse layout, the accommodation flows from the galley into a comfortable saloon, followed by the bathroom and a spacious cabin.

Powered by a reliable Isuzu 42hp engine, the boat is equipped with Webasto central heating, a solid fuel stove, and hot water supplied by the Webasto, engine, or 240v immersion. Last blacked in 2023, superstructure repainted in 2025 and with a survey completed in September 2026, My Joy is a well-maintained boat ideally suited for both leisure cruising and liveaboard living.
