HISTORY

Columbine is a 57ft semi-traditional stern narrowboat, built by Arkwright Boat Builders in 1992, she is being offered for sale with the added benefit of a fully residential mooring in West London, located at High Line Yachting boatyard in Northolt, on the picturesque Paddington Arm of the Grand Union Canal.

Powered by a Kubota engine, marinised by Nanni. The boat's most recent survey was carried out in 2026, providing prospective purchasers with up-to-date information on her condition. The hull was last blacked in 2024, and the engine was serviced in 2024.

The residential mooring is a particularly attractive feature, offering the opportunity to secure a home on the water in a convenient West London location.
