HISTORY

Kakebread's Delight is a steadily improved narrowboat that has had a lot of maintenance and care put into her since 2021. She was surveyed out of the water in July 2021, and since then her owner has worked through the recommendations raised in the survey and added a series of upgrades.

- **Heating systems:** Instal to current stove, back boiler running three radiators (2023), plus an Autoterm/Planar 5kW diesel unit heating the bathroom radiator and water
- with a thermostat (2021)
- **5 New double-glazed windows** with gold powder-coated frames and thermal-break construction (2022) not all windows have been replaced.
- **Twin new alternators** with new drive belts (2022), and a new starter battery (September 2026)
- **Galvanic isolator** fitted to protect the hull on shore power
- **Toilet system overhauled** in February 2026 with a new macerator pump and pipework
- **Engine and fuel system** regularly serviced, last in February 2026
- **7kg washing machine** on board
- **Out-of-water survey** in July 2021, with the recommended work since carried out
- **Blacking** in 2021
